February 25, 1987

SASC

Mr. Robert M. Gates
Acting Director
Central Intelligence Agency
Washington, D. C. 20505

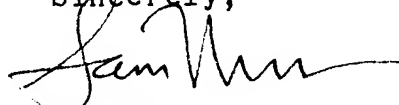

Dear Mr. Gates,

I am writing to request your assistance in organizing a classified hearing for the Armed Services Committee on the subject of U.S. capabilities to monitor Soviet nuclear testing. The hearing is scheduled for Thursday, February 26, at 3:00 p.m., in Room S-407 of the Capitol. The hearing will be held by the Subcommittee on Strategic Forces and Nuclear Deterrence; however, all Members of the Committee have been invited to attend.

STAT The Committee requests that testimony be presented by Mr. [redacted] Chief of the Arms Control Intelligence Staff, CIA, with support from an appropriate team of representatives from the U.S. intelligence community. To ensure that this discussion remains focused on the intelligence aspects of this issue, the STAT Committee requests that [redacted] team be kept as small as possible and composed exclusively of U.S. intelligence officials. The Committee will be hearing from Administration policy officials earlier in the day in a separate hearing on nuclear testing limitations.

I appreciate your cooperation in organizing this briefing.

Sincerely,

Sam Nunn
Chairman
